Form Editor

The screenshot shows the SQL Editor with the following query:

```
-- Top Categories by Revenue
SELECT
    p.category,
    SUM(oi.quantity*oi.unit_price*
        (1-oi.discount_pct/100)) revenue
FROM order_items oi
JOIN products p
ON oi.product_id=p.product_id
GROUP BY p.category
ORDER BY revenue DESC;
```

Below the editor is the Result Grid, which displays the following data:

	category	revenue
▶	Electronics	19051.20000000
	Clothing	9537.10000000
	Home	4215.30000000

The interface includes a toolbar at the top with various icons for file operations, a status bar at the bottom indicating 'Limit to 1000 rows', and a sidebar on the right with buttons for 'Result Grid', 'Form Editor', and 'SQL Editor'.
